SUMMARY

I'm Tanay Bateriwala, a passionate and dedicated web developer currently pursuing a Master of Computer Applications (MCA) after completing my BCA from Navrachana University. I have hands-on experience in front-end development through an industrial internship, where I focused on building responsive, accessible web applications using HTML, CSS, JavaScript, and Bootstrap. I am eager to apply and expand my skills in full-stack development, with interests in both front-end and back-end technologies including PHP, MySQL, Node.js, Express.js, Java (Servlets/JSP), and Spring/Hibernate.

WORK EXPERIENCE

Front-End Developer Intern, RIPL Technologies Pvt. Ltd.
(A subsidiary of Rangam Consultants Inc.)

Aug 2023 – Dec 2023

- Developed and optimized responsive web pages using HTML, CSS, JavaScript, and Bootstrap, improving load time and cross-device compatibility.
- Implemented accessibility best practices, resulting in improved compliance scores using tools like WAVE and Lighthouse.
- Collaborated with the team to identify and resolve design inconsistencies, enhancing UI/UX and maintaining brand consistency.
- Created project documentation and resolved responsive issues, contributing to a 30% improvement in front-end issue resolution time.
